Email Database

Dear Friend:

Do you have an interest in being kept informed about the issues being debated at the Capitol in Hartford? Would you like to learn about pending legislative proposals? Do you have access to the Internet?

If so, I would like to alert you to a new email database I am developing. By signing up for this database, you will be able to receive periodic updates from me via email on what is happening at the Capitol, especially with regard to the issues that matter most to us as residents of the 30th District. The Internet will also allow us to have an interactive dialogue on pending legislation and other issues that affect all of us as citizens of Connecticut. As your state senator, nothing is more important to me than keeping an open line of communication with you. I cannot do my job responsibly without your input.

Please take a moment to sign-up for this email newsletter by going to www.senaterepublicans.ct.gov and click on "Senators." This will open up a page that lists all Republican Senators. Click on my name, and my home page will open up. You will see a yellow box with the title "Stay Informed." Simply enter your email address and click "Submit." Please be assured that your email address will be kept strictly confidential – no one else will have access to it.

I value your opinion as I strive to keep you informed of our work at the General Assembly. If I can be of further assistance to you in this or any other matter, please do not hesitate to email me at Andrew.Roraback@cga.ct.gov or call my office at 1-800-842-1421.

Best regards,

Andrew
